

Faculty CV Summary Sheet

This form provides a standardized summary of key academic activities to support departmental review processes. The goal is to ensure consistent, comparable, and efficient review across faculty members.

Please ensure entries reflect the review period only and align with your submitted CV.

Instructions

- **Report activities completed within the review period only.**
- Ensure alignment with your submitted CV.
- Count each item once per category (even if it fits multiple subcategories).
- If a category does not apply, enter "0".
- Currency should be reported in CAD.
