

## Clinical Fellowship Position in the Addiction Pharmacology and Treatment (APT) Laboratory

### **Description of the fellowship opportunity:**

We are seeking applicants for an advanced clinical postdoctoral position which would involve 80% clinical work and 20% research. We are particularly interested in candidates who wish to develop an academic career in Addiction Psychiatry and/or become clinician-scientists. Applicants should have already completed their medical residency and obtained certification in Psychiatry. Applicants should also be eligible for an educational license in Ontario. Ideally, applicants will have an MD or MD-PhD and a strong record of publications as well as good writing skills. Candidates should have strong clinical skills in both medication management and psychotherapy. Applicants will need to have credentials that allow them to be eligible for College of Physicians and Surgeons of Ontario (CPSO) licensure. The duration will be for 1-2 years. This position is based at 100 Stokes Street, Toronto, Ontario, Canada.

### **Training start date:**

Fellowship training starts on July 1 annually, but alternative start dates can be negotiated with the prospective supervisor (see below) and the Psychiatry Fellowship Program.

### **Stipend availability:**

Candidates selected for this opportunity will be provided with a stipend of **\$85,564.01** CAD/annum. Sponsored\* candidates are also eligible to apply (see Psychiatry Fellowship Program's [website](#) for more information).

*\* Sponsored candidates are applicants from the following countries whose governments have official postgraduate medical training agreements with the university of Toronto: **Bahrain, Kuwait, Oman, Qatar, United Arab Emirates, and Saudi Arabia.***

**Note:** Sponsored candidates must have already initiated an application on the University of Toronto's **Sponsored Trainee Application Registry (STAR)**.
