Guidelines for PGY-1 On-Call Responsibilities (Psychiatry Rotations)
General Psychiatry Residency Program

As per RCPSC Psychiatry Required Training Experiences, all FOD (Foundations of Discipline) residents must have clinical training experiences in the psychiatric emergency department, including after-hours coverage. Below, please find the guidelines for PGY-1 on-call responsibilities during Psychiatry rotations.

<table>
<thead>
<tr>
<th>PGY-1/FOD Rotation</th>
<th>Call Responsibilities</th>
<th>PGY1 call</th>
</tr>
</thead>
</table>
| **Addictions** -rotations at CAMH, SHSC, SMH | Call at home/base site* except MSH residents – call at CAMH | • One weekday until 11 pm  
• One Friday overnight  
• One weekend (Sat/Sun) until 11 pm  
All call shifts occur with more senior residents (FOD/PGY2 or beyond). |
| **Consultation-Liaison (C-L) Psychiatry** | Call at home/base site except for MSH – call at CAMH | |
| **2 blocks Emergency Psychiatry** -at least 1 block at CAMH for all residents | Call at site where rotation occurs (CAMH or home/base site) | |
| **PLEX (Personalized Learning Experience)** | No call | |

*Please note: PGY1 home/base site is where residents complete their off-service (non-psychiatry rotations) – i.e. MSH, SHSC, SMH, UHN. For PGY2, residents’ PGY1 half-day psychiatry outpatient experience site will become their home/base site for PGY2 inpatient/outpatient/call (except MSH residents – call at CAMH, and WCH outpatient rotation residents will do inpatients and call at CAMH).

CAMH = Centre for Addiction and Mental Health
MSH = Mount Sinai Hospital
SHSC = Sunnybrook Health Sciences Centre
SMH = St. Michael’s Hospital
UHN = University Health Network
WCH = Women’s College Hospital
